1. Chapter 1

****Hey! This is a parody of Monster by imagine dragons 4 Garmy.****

****Enjoy!****

When I was just a child

I fought alongside Wu

The unstoppable two

Good times fly

We never had to pretend

That we were not scared

For we didn't have to

you lie you lie you lie

If I showed you my bad side, girl,

could you please not turn your back (?)

And with my dead pale skin

Could you truly care?

I get a feeling just because

if you saw ever me you would cry
If this venom stays in of meeee...

****IM ONLY A MAN****

****WITH A SNAKE WHO HAS GOT ME ****

****TIED TO A LEASH, ****

****BUT IM STILL FIGHTING ****

****TO ESCAPE WHAT FLOWS THROUGH ME****

****A DARK SIDE ****

****A DARK SIDE****

****ILL NEVER TRULY UNDERSTAND****

****A DARK SIDE ****

****A DARK SIDE****

****AND I AM LOSING CON-TROL****

Can I show my kindness

If its fading fast

Is that still a part of me?

Just try just try just try

I never said that I want this

Never showed I needed it

Oh destiny's so cruel

Is it-or are-you wrong

If I showed you my bad side, girl,

could you please not turn your back (?)

And with my dead pale skin

Could you truly care?

I get a feeling just because

if you saw ever me you would cry

If this venom stays in of meeee...

****IM ONLY A MAN****

Hey -by Vixeninja -request by cubcraft
Sooo this one is for Kai when his parents died (say something by Christina Aguilera, I think)
"Come back for I'm screaming out for you
Depression is haunting me too
My song has one meaning, to weep for you
Why didn't you see i'd be sad too?

And I

Crying all night

It was something you said

Can't stand no more

I was still learning 'bout life

And this is so cruel

****Why did you go back? Needed you two.****

****Anywhere I, would have trusted you****

****Come back for I'm screaming out for you****

****Why did you go back? Needed you two.****

****Come back for I'm screaming out for you****

****Come back... "****

****"K-kai?"**

"What do _you_ want?!"

"W-where's m-m-mummy and d-daddy?"

Kai's eyes softened as he motioned to the empty space one their parents' bed. Nya walked over and sat down.

"I'm sorry sis." And he hugged his sister in a tight embrace.

3. Chapter 3

Sup, for some reason it wont let me publish the song I wanted to, I wrote it 7 times until ma brain stopped working. And it was complete Bulls***.

Any way, because my computer was being a total d***, I had to do it on word. Stupid thing. Didn't complete-might complete in future. Sorry Guest...

-Vixeninja

-Guest (you know who you are.)

Cole/Kai. Cole gets hurt and after that a lot of stuff happens. Parody of Sugar by maroon 5.

****Kai****

Cole

Both

Kai looked at Cole with sad eyes.

Why? Why did he take the hit?

He was getting frustrated as he looked at his brothers mangled body.

He began to hum a random tune.

The tune became a murmur.

The murmur made a song.

****I cant believe this?****

****Why did you try?****

****didn't you rea-lize****

****that I would cry?****

****But look at you now.****

****Its all my fault****

****You got me begging, crying ****

****Come back to me****

****Don't wanna be crying so much****

****Don't wanna be tearing apart****

****(oh) it hurts so much (?)****

****But yet here I am ****

****Oh Brookstone****

(Coles eyes snap open but Kai doesn't notice)

****Never thought that we would be here****

****BROOKSTONE****

****BROTHER****

****DONT YOU DARE GIVE UP ON ME****

I'M RIGHT HERE

CAN'T YOU SEE?

A TEEN LIKE ME NEEDS PRI-VACY (no offence teens)

Kai stared in shock at his brother, too shocked to be caught to continue.

Cole rolled his eyes and took over, causing Kai to snap out of his trance.

I get that you saved me

I un-der-stand

_(but I) Don't want bitter sweetness _

in my life

****BROOKSTONE****

****CAN'T YOU SEE?****

****I THOUGHT YOU OF ALL PEOPLE ****

****WOULD 'GET' ME (would understand me)****

I don't un-der-stand

did we lose?

I feel like I

intercepted Grims scythe (grim reaper- doesn't entirely fit music
sorry_)

I cant believe you

YOU TOOK THE HIT!

All of the pain-you have

it should be mine

Don't wanna be crying so much

Don't wanna be tearing apart

(oh) it hurts so much (?)

**But yet here I am **

Oh Brookstone

Never thought that we would be here

Never thought that I'd feel this way

And I need to see one li'l smile

KAI SMITH!

CHILL OUT!

YOU'LL NEED TO EXPLAIN TO ME!

_(but I) Don't want bitter sweetness _
